Covenant Christian Ministries Academy

Since 1994, Covenant Christian Ministries Academy has been positively impacting lives for the kingdom of God. We have been commissioned to offer academic excellence in an environment where the wisdom of God has preeminence.

Our mission statement states it best:

The mission of Covenant Christian Ministries Academy is to prioritize the wisdom of God first and include Him in every aspect of our lives as we provide a quality academic program, equipping students for higher learning and guiding them to a productive life in society.

During this season of gratitude, and in response to what God is doing at Covenant Christian Ministries Academy, we ask that you consider making a contribution to the 2008 – 2009 Annual Fund. Your support allows us to continue to touch lives both foreign and domestic. Your giving helps to facilitate curricular improvements, erection of the proposed new state-of-the-art facility, expansion of media resources, enhancement of employee benefit packages and professional development opportunities, and much, much more. Thank you in advance for your generosity!!!
