Pastor: Frederick T. Anderson

Superintendent: Vanessa Anderson

July 10, 2014

Dear Corporate Sponsor:

On Saturday, October 18, 2014, Covenant Christian Ministries Academy will host its eighth Walk for Education event. Walk for Education is an educational fund-raising program which bolsters the academy budget enabling continued actuation of the school's mission of the development of responsible citizens, through academic training and core value enrichment, that will serve as assets to society.

Covenant Christian Ministries Academy, a fully accredited school (ACSI and SACS CASI) established in 1994, provides educational services to students both foreign and domestic. Being privileged to positively impact lives for over 20 years through Christian education, it is evident that continued viability and growth hinges in part upon facility upgrade. Although excellent academics are provided to our students, society is largely influenced by facility. ***In recent years, our students' SAT/ACT scores produced several Zell Miller Scholars and perfect scores on the AP US History exam.*** With the support of generous donors, we have raised over \$115,000.00 in the last seven years. As other Christian schools have been forced to close their doors, these funds have assisted Covenant Christian Ministries Academy in weathering the economic storm.

Contract has been placed on property in preparation for the erection of the much needed new educational facility. We ask that you consider making a substantial donation to our fund-raising campaign. Our students, staff, parents and volunteers would be so grateful for your support. Sponsoring this event is an excellent way to promote your company in our community. We would love to post your company name on our website and display your name on a marker along the walk site trail. In the event that you desire anonymity, that request will be honored.

Donations can be made via check, credit card, or bank draft. Make checks payable to Covenant Christian Ministries Academy. Credit card donations can be made via our website www.ccmacademy.org from the donations link, or feel free to contact our business office at (770) 919-0022 to make your donation. Our goal is to receive all donations by October 18, 2014, the day of the event; however, donations will continue being received through December 31, 2014. Thank you in advance for your generosity!

Sincerely,

Vanessa Anderson
